

Homestay

****Homestay Experience****

****Project Description:****

"Marrakech Oasis" offers homestay experiences, an authentic opportunity for visitors to immerse themselves in the daily life and culture of Morocco from the inside. By staying with local hosts, travelers get to live as true members of the community, sharing meals, stories, and traditions with their hosts.

****Components of the Homestay Experience:****

1. ****Warm Welcome:****

Hosts greet visitors with warmth and hospitality, offering an insight into Moroccan daily life from the very first moment. They share their homes, food, and culture, thus creating a genuine connection with their guests.

2. ****Comfortable Accommodation:****

Visitors stay in traditional homes of the locals, providing full immersion in Moroccan architecture and lifestyle. The rooms are comfortable and well-furnished, offering a peaceful retreat after a day of exploration.

3. ****Family Meals:****

Meals are an opportunity to experience delicious Moroccan cuisine prepared with love by the hosts. Visitors are invited to share traditional dishes, participate in their preparation, and learn more about the ingredients and cooking techniques.

4. ****Cultural Activities:****

Hosts organize cultural activities that allow visitors to discover Moroccan traditions. This may include cooking classes, music lessons, visits to local markets, and walks through historic neighborhoods.

5. ****Interpersonal Exchanges:****

Interpersonal exchanges are at the heart of the homestay experience. Visitors have the chance to

talk with their hosts, exchanging stories, ideas, and perspectives, thus fostering mutual understanding and friendship.

****Objectives of the Homestay Experience:****

- To provide visitors with an authentic immersion into Moroccan culture by living with local families.
- To foster intercultural exchanges and friendships between visitors and local communities.
- To promote the sharing of traditions, cuisine, and lifestyles of Moroccans.
- To support the economic development of local communities by providing an additional source of income for host families.

Homestays are a unique way to discover Morocco, offering a local and personal perspective that cannot be replicated in traditional accommodations. It's a rewarding experience that creates lasting memories and deep intercultural connections.
